

Greetings White Racial Loyalists!

This is Mark Quitta in New Iberia, LA. I would like you to know about a recent book that I donated to Parkview Branch Library in my town! It is on the shelves and people are checking it out and reading it. They have an online website where you can search for the book. They have the book that I donated online for viewing and checking it out! Someone has it checked out at this time.

White Racial Loyalist, the book that I donated is Ending White Slavery by Reverend Hale. They filed the book under the category 'Race Relations'. I didn't know if they were going to allow me to donate a Pro-White book, they did without a moments hesitation.

I will be donating Reverend Hale's second book, The Racial Loyalist Manifesto next! I hope you will donate Reverend Hale's books to your local libraries as well. We need to donate these books to local libraries, hand them out to many people. We each need to do our part in saving our White Race. Pass out these books!!

Sincerely, Mark
